

SCHOOL NURSE PROGRAM

Camden County Non-Public Schools

Dear Parent/Guardian:

This is a reminder regarding the required influenza immunization for children enrolled in a preschool or child care program. The Influenza Vaccine is required for children ages 6 to 59 months, and must be received annually between September 1 and December 31 of each calendar year.

Please complete and return this form to the school once you have made an appointment for your child. This will help us maintain a tracking system as to when we will receive the appropriate documentation.

If you have any questions, please call me. Thank you for your cooperation.
