CATHOLIC SCHOOL

Empowering Students to Fulfill their Potential

Dear Resurrection Catholic School Families and Community,

A Catholic education encompasses more than academics; it instills values that shape character and foster a sense of belonging. Embracing this year's theme of "let the peace of Christ rule in our hearts" (Colossians 3:15), we are reminded of our collective mission to live together in gratitude and harmony.

As the principal of Resurrection Catholic School, I am forever grateful for the unwavering support we receive from our families, dedicated teachers, and local businesses. It is with deep appreciation for this wonderful community that I reach out to you today. I kindly request your support for our Annual Fund, which this year has combined efforts with our PTO Assessment to achieve a shared goal of \$150,000. This fund is vital, as it helps cover the gap in our budget not met by tuition income, ensuring that we can continue to provide a high-quality and affordable Catholic education for all our students.

Every family benefits from the Annual Fund. Your contributions help us maintain affordable tuition while enriching the educational experience of our students. Thanks to the generous donations from families and local businesses last year, we were able to support our students in achieving remarkable academic, social, and spiritual growth. Together, we witnessed our children reach new heights and embrace the values that our faith instills.

I invite you to be part of this vital journey. Your support of our Annual Fund helps us continue to provide an exceptional Catholic education that prepares our children for a bright future. Together, we can build a community that not only enriches our students' lives but also contributes to a better world.

Thank you for considering a donation to our Annual Fund. Your generosity makes a lasting difference, and together, we can continue to support our students and the mission of Resurrection Catholic School.

With heartfelt appreciation,

Gerry Janansky
Principal

To Whom it May Concern:

I am the Advancement Director at Resurrection Catholic School. We are currently underway with our 2024-25 Annual Fund Campaign. We are excited to announce that the Annual Fund and PTO assessment will be joined into ONE this year. Funds raised from this campaign directly benefit the students and families of our school by keeping tuition costs low and helping with financial aid, technology enhancements, building improvements, and much more. We are respectfully requesting that you consider supporting our mission. We have many opportunities to sponsor, and in return, we will be more than happy to advertise your business.

Our annual fundraising goal is \$150,000, and we can only get there with the help of friends like you! Our sponsorship opportunities are included on the next page. Please let me know if you would like to discuss these opportunities, or if you require any additional information. We are also happy to accept any in-kind donations as well.
