

2023-24 Room Parent Opportunity

As we reflect on the many things that make RCS such a unique and special place, we realize that it is because of your generosity in sharing your time, talent and treasure with us.

Again this year, we would be honored and truly grateful for your presence in our school. Our needs are as many and varied as your talents (we ask that no younger children accompany you).

Responsibilities include, but are not limited to:

- Coordinating class parties and special celebrations with homeroom/advisory teacher.
- Communicating information between the PTO and the parents of your homeroom/advisory.
- Assisting the PTO in obtaining and organizing volunteers for school events.

All room parents/representatives will be chosen by lottery, by Gerry Janansky.
