

RAMS PRIMARY SUMMER CAMP

R EVIEW AND ENRICH

A CADEMICS ORIENTED

M OTIVATING STUDENT LEARNING

S CIENCE TECHNOLOGY ENGINEERING MATH

Please join us for our primary summer program, open to students who are **currently** in grades K-2. This program will be taught by Fran Dorety and Karen Lucci, who formerly taught at RCS for over 20 years. We have been providing fun and enrichment through this program since 2010!

Pack your suitcases as we explore the 49th and 50th states of Alaska and Hawaii. We will learn about their holidays and special celebrations. What makes these states different from ours? The first week we will fly to Alaska and learn what makes it unique, from the volcanoes and dog sled races to panning for gold! (We may just get a chance to do that ourselves!) The second week we will fly to Hawaii where we will be greeted with beautiful leis. We will learn about Hawaii's volcanoes, lush landscapes and beautiful beaches. Hoping to have a special guest teach us how to hula during our luau! Don't miss out on all the fun, sign up now!

We will be offering two different weeks of camp, Monday-Thursday from 9:00-12:00. The dates will be July 21st-24th and July 28th-July 31st. Feel free to come one or both weeks. The price will be \$150 for each week. We require a \$25 nonrefundable deposit to hold your child's spot and it will be taken off the final cost. Please send a snack and drink with your child. Registrations with cash or check can be made out to Karen Lucci c/o Preschool 3 by May 30th.

My email klucci@rcscherryhill.com if you need to contact me.

Sincerely,

Mrs. Lucci and Mrs. Dorety
