

Hello RCS Families,

I would like to give you an update about the RCS lunch program. This year the lunch program will be quite different from years past. The students will be eating in their classrooms this school year. We will be following every precaution and required guideline to keep everyone safe and healthy. All staff will be wearing masks and gloves and disinfecting all surfaces often. Food will be wrapped and sealed and all condiments will be prepackaged. Because of all the necessary precautions and time constraints lunch choices will be limited for the time being. Snacks are now available for purchase on Boonli. We hope to add more lunch choices in the upcoming months as we see how this process will unfold. Thank you for your understanding during these unprecedented times we are all living in!

If you are new to Boonli you will have to setup a lunch account first. The password to setup a new lunch account is **RCS1**. Please enter the lunch website through the RCS homepage, click on the green box that says LUNCH and it will take you to the site and direct you through setting up an account. You will see a drop down list and you **MUST** choose a location/grade for your child. It is **vitaly** important you choose the correct class for your student, especially this year when we are bringing lunch to each classroom. Hopefully room assignments will go out this week, if not go back in and update your account with the **correct class location**. Thank you for your cooperation with keeping your account updated.

September lunch ordering will be **opening** on Friday August 28th and will close on Tuesday September 8th at midnight. I will then open October lunch the week after that, We will be back on our normal ordering schedule in October which is usually the 5<sup>th</sup>-20<sup>th</sup> of every month before. IE: November lunch would be ordered October 5-20. You normally have 15 days each month to order lunch.

There will be **NO** lunch served on September 9, 10, and 11; you will be required to send in lunch and a drink for your students on those days.
