

RESURRECTION
CATHOLIC SCHOOL

SPORTS PHYSICALS GRADES 6, 7, AND 8 ONLY

- Sports physicals include a cardiac assessment, which are different than annual health physicals. They are good for 365 days from the exam.
- All forms can be found on the school website.
- No student may attend tryouts, practices, or games without proper documentation.
- Parent history forms need to be filled out prior to the doctor visit. Doctors should not complete their forms unless they have the parent forms to review the history.
- Doctors must be certified to complete the cardiac assessment portion. Doctors in NJ are fully aware of this law.
- Parents should review their forms before leaving the doctor's office. We received several forms from doctors that were not signed in all places or they check incorrect boxes. This will delay your child's participation if they are done incorrectly.
- If you think that your child will try out for a sport you must have these forms completed and cleared by the nurse prior to tryouts.
- There are 2 forms to be completed by the doctor.
 - PHYSICAL ASSESSMENT: Needs to include height, weight, BP, vision, examination findings, box checked for cleared or not cleared, signed, dated, and stamped.
 - CLEARANCE FORM: Needs the box checked cleared or not cleared, TWO signatures on the bottom (one for the exam and one for cardiac clearance) dated, and stamped.
- ATHLETIC DIRECTOR
 - Needs to enforce this with parent, players, and coaches. The nurses do not know who will tryout so the athletic director has to supply the names prior to tryouts.
 - Coaches receive and keep concussion, cardiac sudden death, and vision verification forms from parents on ALL students.
- Our main goal is to protect all of our children. If anyone has any questions please call the nurse's office.
